

A PLATFORM FOR YOUTH DEVELOPMENT!

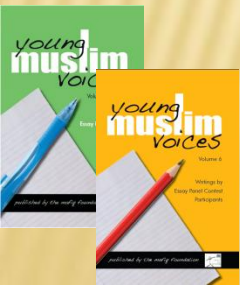

A Youth Capability Building Project-

# Muslim Youth Scholar Training Internship (MyStI) Mentoring

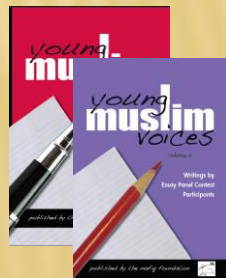

A Presentation by **MY -FIKR**

(Muslim Youth Foundation of Intellectual Know-how and Research )

## Sponsors:

Generous Contributors and Friends of Mafiq Foundation, Inc.  
(Host of EPC and MYDT)

## Call for Mentorship

- We are looking for qualified and committed mentors to enable our emerging leaders experience the social dynamics and the intricacy of the diverse Muslim community issues
- Be a part of this effort as a mentor and help us serve our future generation, bi'idni'Allah.

***Key features to succeed are our longing to serve the cause of Allah!***

# Mentor Qualification & Commitment

- ❑ An academic professional with a social science background is desired, however, any professional with a strong research and development background could become a mentor for this research program.
- ❑ At least a Masters or a terminal degree in the area of expertise.
- ❑ A subject matter expert or have substantial expertise on the area/topic being researched
- ❑ Must be a good command in on-line communication and be able to maintain an electronic presence with the mentee via various modes of communication (email, web interfacing, Google Document, Yahoo group, Skype conference etc.).
- ❑ Demonstrated community service and interest in community affairs.
- ❑ Able to spend 2 to 4 hours per week during the summer term.

*Your service is essential!*

*For more information, or to enroll, please Contact: [mysti@my-fikr.org](mailto:mysti@my-fikr.org)*

# MENTORING ROLE AND GOAL

- ❑ Our goal is to link each mentee with a qualified and resourceful mentor (or a team of mentors) who is committed, willing to guide, direct, provide feedback, evaluate, and work closely with the student intern to enable them succeed in the project. Mentors are committed to serve the youth in expanding their critical analytical capability and exposing them with the real-world research experience, insha'Allah.
- ❑ An electronic mode of collaborations (email, web interfacing, yahoo group, Skype conference etc.) between the mentors and the mentees are desired.
- ❑ Mentors are anticipated to evaluate and score their student's project based on the criteria established and also serve as members of the panel of experts(POE) responsible for judging, evaluating, and ranking the competing projects.
- ❑ Mentors will set realistic goals, commit time, clarify roles and responsibilities of mentor and mentee, provide timely feedback and establish frequent communications.

**Mentoring is the key to the success of this platform. PLEASE Volunteer and Participate in capability building of our Youth!**

*For more information, or to volunteer, please Contact: [mysti@my-fikr.org](mailto:mysti@my-fikr.org)*

# WHAT'S NEXT?

- ❑ Need interested mentors and their commitment to make the project a success, Insha'Allah.
  - get involved and you will find it rewarding and fulfilling
  - stability and retention of mentors are the key factors
- ❑ Need committed students and mentors of high caliber
- ❑ Continued and renewed commitment and partnership with our stakeholders to establish a sustained youth development platform for Metropolitan DC and beyond

Promote, Contribute, Volunteer, and  
Participate in capability building of our Youth!

*Be a part of it and experience the difference!*

Jazakallahu Khairan for your continued interest on our youth development platform. We look forward to your participation in our first ever Summer Internship by MY-FIKR.
